

WORLD HERITAGE DAY CAMPAIGN

One Day for Future

World Heritage Day is about preserving human heritage, diversity and vulnerability of monuments and heritage sites spread across the world. It stresses on the need to put in concerted efforts to protect and conserve our heritage by drawing attention towards it. On April 19, 2021, officiating Principal of DPS, GBN, Mrs Bhawna Khanna shared her insights in a webinar organized by FairGaze. Ambassador Dr Deepak Vohra, Special Adviser to the Prime Minister of India, was the Guest of Honour in this event. FairGaze started World Heritage Day Campaign #OneDayForHeritage in association with Delhi Public School, Gautam Buddha Nagar to spread awareness and respect for culture. All the students, teachers, and parents attended this mega webinar on World Heritage Day and experienced incredible & rich heritage of India.

Positive Vibes

'Coffee with Principal' is a wonderful opportunity to engage with parents in an informal conversation about the functioning of the school and discuss about their expectations and ideas which can be incorporated for improvements. The school had its first session of 'Coffee with Principal' on April 16, 2021 in the school premises. Parents of the students from the Primary Block joined this collaboration and shared their much-valued inputs and opinions for the benefit of the school.

The parents praised the efforts of the school and teachers for promptly embracing the new normal in education sector and also for efficiently keeping the learning process going. They were certainly happy and satisfied with the way the school has come up with flying colours even in this testing time.

Orientation Day 2021-22

'Alone we can do so little; together we can do so much.'

-Helen Keller

DPS, GBN organized an 'Orientation Programme' for the parents of Day-care-XII on April 24, 2021. The event was held virtually on Zoom platform. The event commenced with the National Anthem followed by a sonorous welcome song presented by the School Choir. The school Principal (Officiating), Ms. Bhawna Khanna briefed the parents about the school's policies, general guidelines and sought their cooperation in the school's endeavours. The audience was spellbound by the young musicians of the School Band "Crescendo" as they showcased their musical prowess on table, guitar, drums and keyboard. A brief presentation highlighting our school's salient features, the best practices and achievements was shown to the parents. This was followed by a scintillating dance performance where our students danced resonating to the beats of a Rajasthani folk song. The Coordinators for the four wings of the school warmly welcomed the parents and shared the details about their team members. The session concluded with the 'Vote of Thanks'.

Post the Zoom meeting, parents joined an MS Teams session to interact with the respective examination In-charges, REPS and CTs.

The orientation programme was a sincere effort made by the school to familiarize the parents with the curriculum, rules and regulations of the school, teaching methodologies and the co-scholastic activities.

Rightful Recognition To Impactful Leadership

Leadership is not about a title or a designation. It's about impact, influence, and inspiration. Impact involves getting results, influence is about spreading the passion you have for your work, and inspire by being a role model. Without a doubt, Ms Bhawna Khanna, Principal (Officiating) of Delhi Public School, GBN is the most scrupulous leader as it is under her tutelage that every day thousands of minds are inspired and educated. She is indeed a true personification of leadership as she believes in relaying powerful value system in the students along with focusing on their academic and co-curricular excellence. Henceforth, we are delighted to share that Ms Bhawna Khanna was felicitated with the Best Principal award from National Olympiad Foundation (NOF) in recognition of her valuable contribution to the academic community and students

Know us Better

DPS-GBN conducted a webinar for the newly joined students and their parents on 17th April 2021. This webinar was organized with objectives of apprising students as well as their parents about the working of school's web portal and how to access LMS/ERP for their convenience in future. The symposium went smoothly wherein, Ms. Megha A Joshi welcomed the students and parents of classes VII-IX. Following this, Ms. Hina Sumbul, IT teacher apprised students about the ERP. Ms. Ritu Vohra, heading the department of Education (for VII – XII) explained the exam policies to the students and parents. The occasion continued under Ms Manisha Srivastava's guidance and demonstration on how to take up online tests. Altogether, the webinar was a success as the students and parents participated in it actively; clearing out their doubts and queries. The event was summed up with vote of thanks. It was surely a benefitting webinar reaching out to students/parents.

The screenshot shows a webinar interface. At the top, there is a 'Recording...' indicator. Below it is a video feed of a man speaking. The main content area displays a slide titled 'Managerial/other related careers' with a list of professions and two word clouds. The 'TABLE OF CONTENTS' slide lists four items: 01 ERP Introduction to ERP, 02 LMS Introduction to LMS, 03 EXAM DEMO Live Demo of a dummy Exam, and 04 Questions Question Answer Session. Below the content is a video gallery with several participants. The bottom slide shows a girl holding a sign that says 'All the Best for your exams' next to a yellow background with the text 'Examination Demo' and the school logo.

The Earlier, The Better

“Opportunities don’t happen, you create them”.
-Chriss Grosser

Career planning is one of the quintessential needs of students for achieving desired career goals. Keeping this in mind, a career guidance and counselling session was organized by Delhi Public School, Gautam Buddha Nagar on 15th March 2021 for the students of classes IX-XII. The resource person, Mr Jitin Chawla, the Director – Centre for Career Development, conducted the session. Insights to both conventional and unconventional career streams were shared out by Mr. Chawla. The session gave comprehensive details about the courses and its fees to parents looking forward for educational opportunities in India & abroad. It also highlighted the role of School's guidance to children on all kinds of career prospects.
