The Giggles - Children's Day Celebration

'Children are the gift of God to us'.

November 14 is celebrated as Children's Day or Bal Diwas every year in remembrance of India's first Prime Minister, Pandit Jawahar Lal Nehru. The Day commemorated with immense joy, enthusiasm and zeal. The Celebrations began with the Morning Prayer, followed by a variety of fun-filled activities and games planned by the teachers for their Students. The Students enjoyed eating their favourite food which they specially got for the Class Party and watched an interesting movie in the School's Auditorium. The Students enjoyed the Day and went back home with happy memories for a lifetime.

Science Show

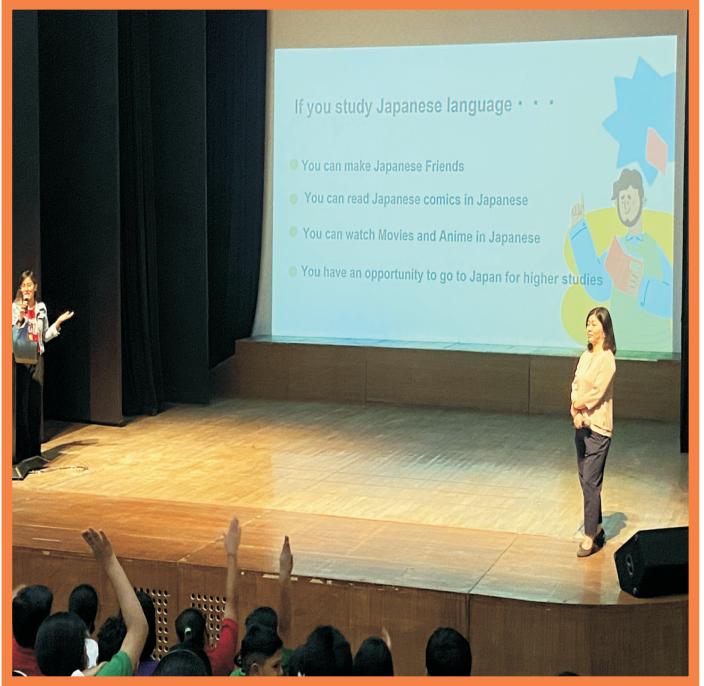

"Science is the knowledge of consequences, and dependence of one fact upon another." -Thomas Hobbes

To sensitize our Young Learners towards Science and Technology, 'STEM Science Show' was organized for the Students of Grade IV and V on 10th November, 2022. The Activities made the Young Learners understand the significance of different scientific facts. Different experiments such as Scuba Diver, Reversible and Irreversible reaction, Model of Hand Pump and some other experiments were shown to the Students which enhanced their curiosity, helping them to acquire new ways of learning and understanding about scientific facts which children could relate to daily life. A Nitrogen Gas Show was also conducted to showcase how liquid nitrogen works. The event was a great success.

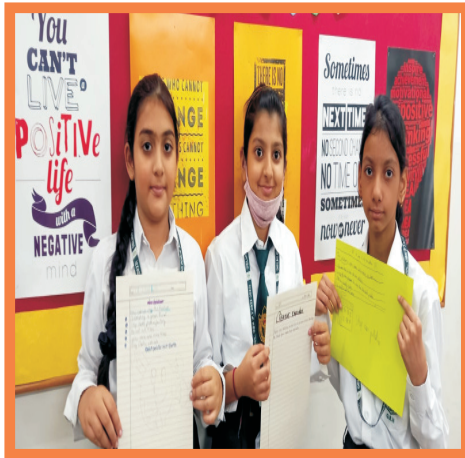

Chalo Japan

'Chalo Japan' event was organized by Japan Foundation, New Delhi on 1st November, 2022 for the Students of our Primary and Senior Wing. This Event was conducted for the Students with an intention to bring the Japanese Language and Culture in our School. An Origami Basket made by our little Learners was given to Chiaki Suzuki Sensei as a token of love. Various fun Activities were conducted in the event, such as Japan Quiz, Fukuwarai game and Q & A about Japan. The Event was a great success as Students really enjoyed it and learned a lot from it.

English Activity

Views, opinions, information and different perspectives reigned in the Classes of IV and V, as the Students expressed themselves on the topic 'Ways to control Air Pollution'. A challenging topic which compelled our Young Students to brainstorm the information gathered by them from newspapers, ongoing news debates and EVS chapters. This gave them an insight on the relation of academics and current affairs. Every view is important, every view matters as these debates help clearing concepts in a fun-filled manner.

Mathematics Activity

"The essence of Mathematics lies in its freedom". - George Cantor

Mathematics is an important part of learning for Children in their early years as it helps in improving their knowledge and forming an integral part of Life Skills. In DPS, GBN we believe that teaching Math skills is very important and the key is to make it hands on, cross domain and above all simple and interesting for our Young Scholars. An interesting Activity, 'Angles in a Clock' was conducted for the Students of Grade V. Angles adorn every nook and corner of our surroundings, our Young Mathematicians grasped those cues and enjoyed forming different angles on a clock. This engaging Activity was enjoyed by all the Students.

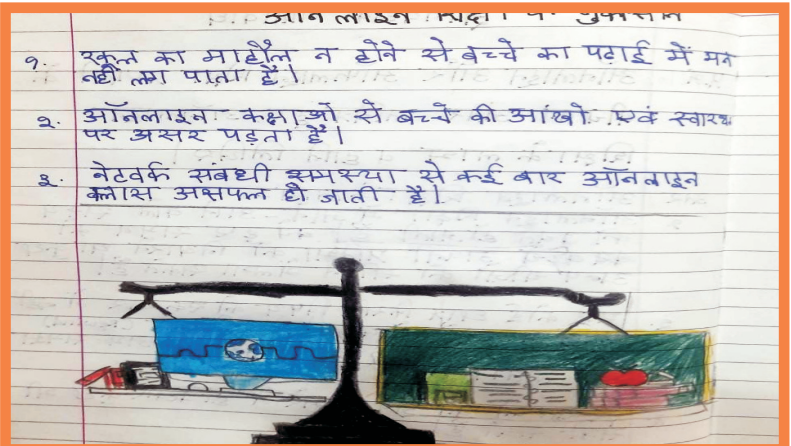

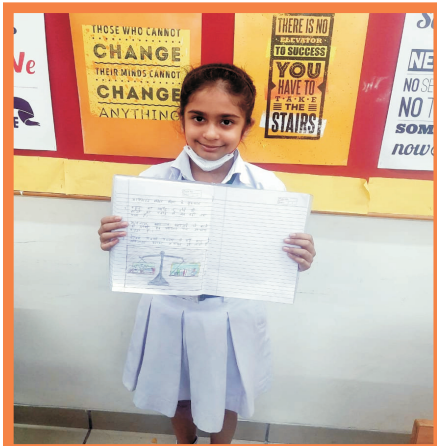

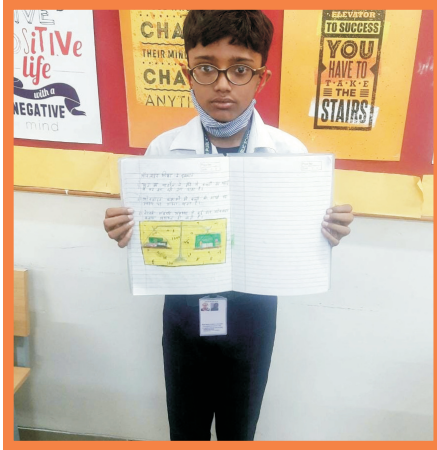

Hindi Activity

“आवश्यकता ही आविष्कार की जननी है।”

संपूर्ण विश्व में कोरोनावायरस महामारी के कारण सार्वजनिक गतिविधियों पर लगी रोक ने जब शिक्षण संस्थाएँ बंद कर दी थीं, उस समय ऑनलाइन कक्षा बच्चों के लिए एक बेहतर विकल्प साबित हुई, जिससे बच्चों को घर बैठे शिक्षा प्राप्त करने का एक बेहतरीन अवसर प्राप्त हुआ, वहीं दूसरी ओर पारंपरिक शिक्षा व्यवस्था में बच्चे विद्यालय की कक्षा में बैठकर प्रत्यक्ष रूप से शिक्षा ग्रहण करते हैं। कोरोना काल में शिक्षा के क्षेत्र में इस क्रांतिकारी परिवर्तन को सारा विश्व हमेशा याद रखेगा।

आज बच्चे दोनों शिक्षा प्रणाली को भली-भांति समझ चुके हैं। अतः डी.पी.एस., जी.बी.एन. के कक्षा पाँच के छात्रों से ऑनलाइन तथा ऑफलाइन शिक्षा प्रणाली के बीच का अंतर सचित्र दर्शाते हुए उनके लाभ व हानि जानने हेतु एक गतिविधि का आयोजन किया गया, जिसमें बच्चों ने बेहतरीन विचारों को सचित्र प्रस्तुत किया। इस गतिविधि के द्वारा बच्चों ने हिंदी भाषा को कला के साथ एकीकृत करने का प्रयास किया है।

'Go for Glory' Sport Event - Felicitation Ceremony

It is rightly said, 'Play a sport, it will teach you how to win honourably, lose gracefully, cooperate, collaborate and how to manage your time efficiently.' Keeping the same ethos in mind, the Primary Wing organized the Closing and Felicitation Ceremony of all the Inter House Activities organized throughout the year, 2022-23 on 24th November, 2022. The Event began with the welcome of our honourable Principal ma'am followed by the Colorful and Vibrant Parade, Tug of War and the Felicitation Ceremony of the Sports Events. Yamuna House won the 'Outstanding House of the Year'. The Event ended with a Kite Flying Event which was organized to celebrate the zeal and enthusiasm of all the participants. Kudos to all the participants and the winners!
